RAO APAC, 2022:

# 1. WELCOME & EVENT GUIDE

## Welcome to APAC

Welcome to APAC 2022, the virtual symposium which brings together the best and the brightest from the global asset community to share their insights & knowledge about both the challenges and opportunities within Responsible Investing.

Get comfortable, pick the sessions you want to join, request 1-2-1 meetings with key people, network with your peers, visit the exhibition booths and join various breakout sessions.

- Innovation
- Collaboration
- Leadership

This guide shows you the type of content going on throughout the day, as well as where & when to find it, how to make sure you get the most out of your day and some pop up surprises keep your eyes peeled!

We look forward to seeing you there.

**Adrienne Lawler**  
CEO & Founder  
Responsible Asset Owners Global Symposium

# 1. WELCOME & EVENT GUIDE

All sessions will be recorded and shared after the event

## Reception

Consider this Base Camp as you explore all the options available throughout the day - or indeed, even if you get lost!

There will always be someone on hand to help & guide you as well as an excellent place to meet for a chat, keep up to date with key messages & event updates.

## Stage

This is the Main stage. You will find our four keynote speaker in this area (you can read more about them in the agenda).

The live chat feature means you will be able to post comments and ask questions throughout.. At the end, the Moderator will lead the Q & A between themselves and the viewers, selecting some to ask their questions directly.

## Networking

The Networking area is available throughout the day. In this symposium you can arrange private sessions with some of the speakers as well as network with fellow delegates in open areas.

The Networking area automates the discovery of new connections. When you participate in Networking, you are matched with another attendee who you can meet for a couple of minutes before connecting with another person.

## Sessions

The Sessions area of the event is for PANEL sessions and for breaking into groups and rooms. We have some great sessions lined up and all detailed in the schedule below.

Up to twenty people can participate in a session on live camera, while 500 people can join the session and watch off camera. Everyone in a session can interact in the session chat. This is often to ask questions to the speakers on camera.

## Expo Booths

The Expo area is the virtual exhibition hall with some great sponsors booths.

It's where you'll find a wide array of brands, products or services, just like a trade fair, job fair, or sponsor showcase.

*Definitely worth a visit!*
